

November 27, 2017

Dear Friend,

As the holiday season approaches, we are asking for your charitable support.

You, as a friend and supporter of Exceptional Equestrians, champion the success we see each day, helping the most vulnerable members of our community make tremendous improvements in their cognitive, physical, emotional, and social well-being. Take a moment and share in these victories you have sponsored:

- You helped a 3-year-old girl with scoliosis strengthen her core muscles.
- You helped a 5-year-old boy who was struggling with his behavior in school make a complete turnaround.
- You helped a woman in her 40s with multiple sclerosis maintain her ability to walk.
- You helped classrooms full of special-ed students learn that they CAN ride a horse.
- You helped a woman with depression find happiness interacting with a horse.
- You helped us serve more people than ever—twice as many in the last three years.

In order to meet the needs of the community, we need to bridge the gap between our service fees and the actual cost of services, which is why we are reaching out to you. Your gift is extremely important because it offers immediate resources that are directed to current needs which include a new or gently used heavy duty pickup truck. Would you please consider contributing to this noble cause and help us in our goal to raise \$40,000?

On behalf of every family that we serve, our therapists, instructors, and volunteers, I would like to thank you for your generous partnership and support.

Sincerely,

Lisa Kafka, OTR, HPCS
Executive Director
