**De Pere, Wis., June 3, 2017**— Exceptional Equestrians hosted its 19<sup>th</sup> annual Horse Show on Saturday. Hundreds of guests attended to see Exceptional Equestrians clients ride therapy horses, demonstrate their accomplishments, and receive trophies. Nearly 50 clients participated, taking center stage in the riding arena filled with spectators. Dozens of siblings and other young guests also got a chance to ride in the event's *Friends & Family ride*.

The annual horse show is a day for children, teens, and adults with special needs to invite friends and family to see them ride. Saturday's fun also included a picnic lunch, children's games, raffles, an ice cream truck, a balloon artist, and the Green Bay Mounted Patrol Unit.
